

AMENDMENTS TO THE DRAWINGS

The attached sheet of drawings includes changes to Fig. 8. More specifically the reference numeral “208” has been deleted.

Attachment: Replacement sheet

REMARKS

We have amended the claims to address the Examiner's §112 concerns.

The Examiner objected to Figs. 5, 6, and 8 because they contained reference numerals not mentioned in the specification, namely, elements 86, 162, and 208. We have amended the specification to reference elements 86 and 162 and we have deleted reference numeral 208 from Fig. 8.

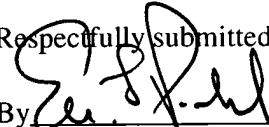

We acknowledge the Examiner's indication that claims 28 and 29 are allowed. We have canceled claims 1 and 30-32 and have made the dependent claims depend from claim 28.

In view of the above amendments, we believe that the claims are in condition for allowance and therefore ask the Examiner to allow them to issue.

Please apply any charges not covered, or any credits, to Deposit Account No. 08-0219.
